About Convoy for Kids

Started in 2000 , Convoy for Kids - is one of the best known and well supported charity golf days in Thailand. With the event proceeds going to The Sri Sangwal School in Pakred which helps rehabilitate and educate handicapped children.

Convoy for Kids was started in 2000 by a few transport and logistics companies which made up The Logistics Sub-Committee of The Australian-Thai Chamber of Commerce. Our aim is to put some fun into the lives of handicapped and under privileged children as well as give them some financial support.

Our main event Kids Day Out each year is usually in November when we take over 200 children from The Pakred school in Nonthaburi, and the Bang Sue area for a fun day out.

The rise of Covid has prevented any Kids day out events since 2018

Our Golf Day was started in 2002 to help raise further funds for the charity.

Come join us and help us help them. Your donations whether cash or in kind will be gratefully received and put to good use.
